Club No. 708544 Chartered on 9 Aug 2004

The mission of the Grassroots Toastmasters Club is to provide a mutually supportive and positive learning environment in which every member has the opportunity to develop and practice communication and leadership skills, which in turn foster self-confidence and personal growth.

Toastmaster journey is not only about public-speaking, but also being a good communicator at work and also at home. Good communication is a life-long learning journey. Good communication begets good relationship with colleagues, friends and loved ones.

I understand that speaking in front of a crowd is nerve-racking and many people feel shy about doing this, but please remember, we always stick to Toastmaster mission: *"to provide a mutually supportive and positive learning environment in which every individual member has the opportunity to develop oral communication and leadership skills, which in turn foster self-confidence and personal growth."*
